1. So much I have for you, so much—so much for My people, My body, My body, so much I have for My people, My body—so much, so much, so much that they have not come and received, so much that has waited, so much that has passed.

2. Time, seasons, creations, conversations, friends, understanding, revelation, power, prowess, knowledge, relationship which forge relationships for many years—yea, generations—if they came, if they conquered, if conquest of focus was focused on Me, Me, Me and My table, My provision, My orchestration, with them yielded to be able to receive of Me, Me, and all I had, all I have, for them.

3. So many cannot receive what I have for them. They are not open, ready and willing to receive. They shut Me out and let mammon rule their lives—reign over their friendships and relationships and guide all their decisions.

4. Mammon was not made to rule Ted, mammon was made to serve, serve, serve the needs of My body, not vice versa.

5. Oh Ted, why did mammon rule your life so long? You were Mine, but mammon made so many of your decisions. Oh Ted, Me, Me, Me, My wisdom, My knowledge, My understanding, Me, Me, Me, I am, will overcome and circumvent that which you and many see as reality and unchangeable and un-circumventable.

6. I, Ted, am. I am the one and only I am.
I speak, I teach, I train, and **I experientially walk with My body through a maturing process** to be able to hold armor, and then to use armor, and then become skilled with armor—defensive armor, offensive armor—ever-impenetratable armor.

7. Oh Ted, close I am, so close I am to you and your words of Me, and those who will open to Me and My teaching and My revelation of the revolution that I am orchestrating against those who hold My body down, and ways of high minded management which is control-cloaked for mammon made purposes.

8. I am freedom and My design is the goal—My design, My design, and all of My creation. Ted, do I design something that I don't place My design in, on, about, with such great visibility and detail so that no one can miss My creations? Ted, unless they can't see—their minds dimmed and slow and narrow and docile and weak and conquerors-opposite.

9. Oh My Mine are conquerors of much—in maturity—in maturity, overcoming giants which perpetrate myths of power which have no power compared to My power. Only the dead roll over and play dead. Only the ignorant hold up their hands and say 'shackle me, I will serve.' Only the ignorant give their lives to mammon and a lifestyle opposite of My design and fullness in all My connections, correction, and maturity-guarded path.

10. Oh Ted, schools—that's why I have called you and appointed you to raise up schools many—untypical, atypical, original, innovative, with few, with many, and de-ignorancing My people—freeing their minds, their spirits, their souls, their mammon-dominated control-oriented nature which robs and saps and slaves make.

11. My words, My Word, teach—experientially—crystallizing the formation of conviction into piers deep and foundational moorings which will not sway, when swirling tempests assail, and no map exists, no map exists, except the path into My chambers.

12. I am one and I am one with My Father and I am one with My Spirit and I am one with My body—one, one, one, one, one, one, one, one, one, one Ted, with all who will but open to Me to receive Me and what I can do for them, in them, with them, in adventurous beauty with nothing boring or dull about My gifts, My callings, My providedness, My provision, My enablement and empowerment.

13. I am so big and so many think I'm so small, feeble and decrepit, a power of the past, relegated to fables for the feeble. Oh Ted, open their eyes to My newness, My power, My adventure, and My design which is a yoke light, and full of freedom, in Me, in Me, in Me.

14. Slaves—I do not make. Servants—I do not make. Bondage makers—I do not make. Free will, free choice –
mammon—or Me—and no other is.

15. Precious are My little ones, My lambs, who know only words of My Word and have not foundation to build on—to receive Me and all I want so to do with them, in them, for them, with others, for others, for all of us—My family.

16. Foundation, foundation, foundations form in My people and foundations put under My people so they will not sink into ignorance upon ignorance, covering them with depression and not knowing My provision.

17. FREEDOM—FREEDOM—FREEDOM!!! Oh Ted, freedom to be who I designed you to be—you now walk in, but look at the price I paid—look at the price you paid—look at the price and squelch not the picture or portrait of the cost to be free, and Ted, to remain free.

18. II Peter, Ted, II Peter, again today, what do you see? Ted, is it not plain, plain for every reader, Ted, promises, promises, ‘great and precious promises’ have I given you, that by these you might be partakers of Me, Me, Me. II Peter 1:4.

19. Ted, My Word, My Word, My Word—My body is so ignorant of My Word, My Word, My Word which I so clearly convey to all who are open to Me, My ways of operation, My principles, My precepts, My values, My steps to maturity in Me—for all, all, all, who will open, and open, and openly ask, ask, inquire, investigate Me and what I am and who I am and what I have to offer, what I am, and who they are, and what I have for them to partake of.

20. Do I want robots? No, I want friends, I want people who let Me be Me with them, and Ted, understand how much, with Me, intimately, I let them be them, in perfect freedom, in freedom perfect. Oh synergy, oh love, oh understanding of deep love.

21. Are not My promises constantly conveyed in My Word? Do I not continuously present Myself as My self, who needs no one, but who chooses those who choose Me, forgivingly, in friendship.

22. So alive, so real, so appreciative I am of those, all, who will come to Me and inquire and let Me speak and teach, and Ted, write My words, and allow themselves to mature, and allow those around them to mature, not accusing and condemning and cutting off dreams and visions of walking with Me in My presence and My chambers, in prowess of power, from only Me.

23. Corne´ Bekker is of Me and confirming him I am this day for conveying Me in means not common. Corne´, Corne´, Corne´—I love you, I love you, I love you. I thank you. I bless you. I promote you. Ready, aim, fire. I smile, you smile, we smile—friends. Corne´ will confirm My confirmation for affirming and elevating him I am—for open he is to Me—and writing of Me will accelerate—all provision, all provision made—no hesitation, obedience, splendor, halls of much splendor, halls of much power, great authority—in Me—ready, ready be, ready are, ready, ready, smile, I love you.

24. Freedom, freedom, freedom—not accusation and condemnation and not action by guilt and lackadaisical fulfillment of man’s rules. Oh freedom, oh prayer, oh communion with Me.

25. Entrance My people into My abundance by putting their hand in Mine—II Peter 1:11, tell them, tell tem, tell them to open to My Word and open to My Word while open to My words—to them, to them, of wisdom knowledge and understanding from My heart to their heart—multiple levels of revelation and promise and protection and provision. Walk, run, faster, on horses, on technology, on Me.

26. They come, they come, they come hungry, offering what they have—enjoy and heal and salve and bless and mature—manifoldly multiply what they give—in freedom, in love, in preparing them for ministry and maturity in halls of power and prowess of Me—in seats of power and places not of Me, untainted, strong, un-phased by displays of mammon and control-oriented captivators of all-weak.

27. Peace, peace, provision—power—purity required.

28. Me with My Word is power—Me with My friend, is power.
Increase My friends, increase love for My Word.
Decrease demarcations of nuances that delimit and defeat.
Synergy in Me.
Understanding—increase.
Meekness—increase.
Love—increase.
Prophets—increase.
Knowledgeable in Me—increase.
Liberated in Me—increase liberated freedomizers whose quest is to know Me in intimacy—freedomizing all who open to freedom.

29. Ted, more writing will you do.
Help comes to type and exponentialize all I give you.
Enjoy, meek, patient.

30. My Word I open to you now. You opened your heart unreservedly to Me and now Ted, I open My Word unreservedly to you. Ask, seek, knock, and hide not I will, for all the keys you have—you have, and you give—and because you give—I can give. Nothing personal, nothing preferential, all for My body, all for every individual, every individual, every individual, who will sup with Me and eat at My table.

31. River be—flow, flow, flow.
Listen, listen, listen.
Affirm, confirm, build up, and tear down sin only.
Affirm, confirm, build up, and tear down sin only.
Affirm, encourage, bless, and open the eyes of My body to My body and competition cease. Self-servingness—cease and river Me to My Mine.
Oh provision, oh ecstacy, oh fulfillment.
Oh friendship with Me.

32. Open My Word, open the beauty of My Word to My body.
Open the power of My Word to My body.
Open the palaces of Me to My Mine.

33. My Word speaks.

My Word lives.
My Word protects.
My Word instructs.
My Word provides.
My Word amplifies and reflects Me. My Word is powerful and relegated to shelf-adornment no longer can My Word be, in My body, for power to come forth on foundations of purity.

34. Me, Me, Me.
I give so much for so little.
Enjoy Me, open, open to My voice, open to My instruction, open to Me revealing My friendship of power in My big world, to every maturity-seeker.

Re-orienting, releasing, paradigm-shattering I am—and I love it.
Guts for Me, guts, guts, fortitude, tenacity, meekness, power.

35. Glory on the heads of My young, My youth, My un-dim but ignorant, powerful youth, powerful kids, power unleashed—hem them not in but liberty freeing be.

36. Open the eyes of My body to My aliveness, My speaking, My presence.
Open their eyes, open their eyes, open their eyes by every use of technology and dazzling displays of My creativity and boredom-destroying creativity-fulfilling creations of Me.

37. Self-sustaining, self-sustaining, in Me, not you, not you alone—in Me, self-sustaining, generating power, generating creativity of creativity that comes from Me to My Mine in liberty of liberty.

Land, buildings, provision, provision, provision.
You crawled up on, and you crawled not off—
My altar, My altar, My altar.
Altars provide and presence of Me permeate the refuges of My rested.

Oh provision, oh Me—I am provision—no lack—skill, knowledge, provision, relationships, synergy, experientially maturing in confirmation and affirmation and liberty.

38. You Ted, will lead so many leaders—so many leaderless—empowering so many, with such great joy and laughter and pleasure, pleasure, knowing you please Me so.
Meekness, meekness, meekness, fasting, meekness, prayer, communion.

39. Commerce—worship—one.

40. Paula is providing provision to the young and great shall she be.

41. Shrink not back from transparency and sharing your feeling and problems reconciling My promises with My provision seen. My promises—My provision—My promises are My provision prelude.

42. See Me, see Me, see Me.
Open the windows Ted, open the doors, allow all to see, feel and touch you, and lovingly, ever so meekly, touch their hands in such tender love, and place them in Mine. I will take them. I will accept them. I will affirm them. I will confirm them and I will tenderly whisper the wisdom of love that prevails over all other powers, and powerful make them—more than you—if they let Me, more and more, more and more. See Me.

Tell them your feelings and candid be—candy coat nothing—simple, straight forward be, so Mine can know Me more, be real, be you, cover nothing.

43. I am coming to you like a mighty rushing wind and all will see and all will look and ponder and know that I am not old and decrepit but I speak and I laugh and I exalt and I am ‘not-in-control—not.’

44. Enjoy, enjoy, enjoy.
Meek, meek, meek.
Softly, tenderly, be Me.

45. Great change, great anxiety, great fear.
Calm and assure My body—I am Me and I want only for them to be them, truly them, in freedom, in My design, in such power, of only Me.

46. Prepared.
Ready.
Thank you.
